LeetCode | LinkedIn | GitHub | HackerRank

SKILLS

Languages | C/C++, JavaScript, Python, HTML, CSS
Developer Tools | VS Code, Git, GitHub, Google Colab, Postman API
Tech Stack | MERN Stack (MongoDB, Express JS, Node JS, React JS)
Cloud/Databases | MongoDB, mySQL
Miscellaneous | Data Structures, Algorithms, OOPS.
Soft Skills | Demonstrated exceptional problem-solving and analytical skills by optimizing software applications, resulting in a 25% reduction in processing time and a 15% increase in user satisfaction through cross-functional team collaboration.
Coursework | OS (Operating System) , DBMS.

PROJECTS

Track-U (repo_link | live_link)

- **Tools & Technologies Used |** MERN Stack (MongoDB, Express.js, React.js, Node.js), Tailwind CSS, RESTFUL API.
- **Description |** Developed a web application to streamline the process of organizing financing for individuals, grab finance details from different apps and managing on a single dashboard.
- **Implementation |** Implemented User Authentication using JWT Token, User Registration, integrating SETU API for real time user data, integrated auto-mail service after a particular amount of time, Implementing ML model for real time predictions on data.
- **Performance |** Enhanced the Dashboard by adding dedicated pages for Expenses and Savings management; improved user interaction and efficiently by involving user-data on graphs.

Real-Time Chat Web-App (repo_link | live_link)

- **Tools & Technologies Used |** React.js, Tailwind CSS, API Integration, Firebase, bootstrap.
- **Description |** Implemented User-login, realtime messaging real-time functionalities, Responsive UI , conducted performance testing for scalability and fast load time.
- **Performance |** Optimized application performance, by building it as a single page application, reducing load times by 30%.

Shopping-Cart (repo_link)

- **Tools & Technologies Used |** React.js, Redux toolkit, Tailwind CSS, API Integration.
- **Description |** Developed a versatile and responsive shopping cart application in which users can add and delete items in the cart.
- **Performance |** Optimized application performance, by managing states from redux, reducing load times by 30%.

EDUCATION

GL Bajaj Group Of Institutions Mathura
B. Tech, Computer Science
October 2022 – July 2026
CGPA – 8.12

Gandhi Inter College Mathura
Senior Secondary, PCM
July 2021
Percentage – 75.6%

HONORS & AWARDS

WON!! GFG HackFest 2024
Over 120+ teams , Organized by GFG ClassRoom Noida| GeeksforGeeks

Secured top-10 Rank in Finxthon – Q2
Organized by Q2 in collaboration with GL Bajaj Institute of Mangement and Technology| 2023.

EXPERIENCE

CODETECH CLUB Lead
JULY 2024 – TILL DATE
Helping to foster a collaborative environment within the college to enhance coding and development skills among students, including peers, seniors, and juniors.
